To the Parents of 4th Graders:

It is a Massachusetts State Law that ALL children entering the 4th grade have an updated physical exam performed by their doctor. The reason we need this information is to make sure that ALL children are up to date with their immunizations.

In an effort to reduce the amount of missing and expired health information, we are sending this reminder home well in advance. **Any student who does not have a current physical exam submitted BEFORE the first day of the 2009-2010 school year, will be referred to Administration and may not be allowed to attend school or participate in any extracurricular activities until this information is submitted.**

Physical exams are valid for 13 months from the date of service. Therefore, physical exams must be dated BEFORE July 30, 2008 in order to be accepted for the 2009-2010 school-year. If your child is not due for a physical exam before the start of the school-year, please submit their LAST PHYSICAL EXAM.

We are asking that the information be faxed or mailed to the information on this letterhead, or dropped off directly to the nursing department. Physical exams can be submitted upon receipt of this letter and at anytime throughout the year; **INCLUDING SUMMER BREAK. If a physical is submitted during summer break please drop it off in the nurse's mailbox in the fishbowl.**

If you have any questions or concerns, or need to speak to a nurse in person, please do not hesitate to call to make arrangements. Thank you in advance for your cooperation.
