## Gardening Club

*2011 - 2012 school year*

Mystic Valley Gardening Club is designed to provide students with a fun and informal exposure to Mother Nature. The club's mission is to bring beauty and happiness into the world while learning the basics of gardening. One ongoing project is beautifying our high school property. Another is fundraising by selling homegrown plants, with proceeds going to Hope in Bloom, an organization that plants gardens for people that are in treatment for breast cancer.

**ALL STUDENTS ARE WELCOME**

**JOIN FOR REGULAR MEETINGS OR STOP BY FOR  
AN AFTERNOON**

Meetings start in Room A-105 @ 3:20 on Thursdays  
Gardening ends about 4:00 pm  
(meetings on other afternoons as needed)
