

Mystic Valley Drama Club, Grades 9-12

This year the high school drama club will produce and perform two productions. It is our goal to enter a one-act play into the Massachusetts Educational Theater Guild's High School Drama Festival.

Additionally, we will perform a traditional length play in the spring.

The first meeting of the high school drama club will be in mid-September. Please see Ms. DeTeso in the College Counseling office for details or email her at jdeteso@mvracs.org.
