

Mystic Valley Regional Charter School

770 Salem Street • Malden, MA 02148 • Telephone 781-388-0222 • Facsimile 781-321-5688

Dear MCAS Parent,

The Mystic Valley Regional Charter School has provided the opportunity for our students to receive additional instruction and strategies regarding the MCAS test. This opportunity is required for those on academic concern plans and voluntary for all other students. The success of this program is a direct correlation to the behavior and intention of all its participants. For that reason students and parents alike are required to contract to certain standards for the classes.

- 1- Students are asked to **be respectful to the teachers and other students** as well as **remain on task during instruction.**
- 2- Parents are **required to pick up the students at 5:00 on T/Th and 12:00 on Saturday.**
- 3- If a **student/parent does not follow** these guidelines on **three (3) occasions**, he/she will be **removed from the T/TH group and offered only the Saturday session.** If the student **is enrolled in the Saturday session and does not meet the guidelines**, **removal from the MCAS class will result.**

Please sign below stating that you have read and agree to the above terms regarding the MCAS classes. Return this contract to your MCAS prep teacher no later than the next scheduled MCAS session (either Tuesday, Feb.17th or Saturday, Feb. 21st).
