Meeting Times

In the beginning of the year, we will meet every other Tuesday at 7:30. As the conventions get closer, we will meet every Tuesday at 7:30. All meetings will be held in Room M101.

What is MUN?

Model United Nations (MUN) is an academic simulation of the United Nations that aims to educate participants about civics, current events, effective communication, globalization and multilateral diplomacy. In MUN, students take on roles as diplomats and participate in a simulated session of an intergovernmental organization (IGO). During the conventions, participants will meet and interact with students from all over the world. Students will research a country, take on roles as diplomats, investigate international issues, debate, deliberate, consult, and then develop solutions to world problems.
