

MVRCS National Honor Society

Started in 1921, the National Honor Society is an organization whose intent is to recognize high school students who demonstrate excellence in the areas of Scholarship, Leadership, Service and Character. Chapter membership not only recognizes students for their accomplishments, but challenges them to develop further through active involvement in school activities and community service. The Mystic Valley Chapter of the National Honor Society currently has **26** inducted members of Juniors and Seniors who are representative of the ideals fostered throughout our Charter's community.
