

MVRCS
Student Action Club (SAC)
3rd Session

January 2010

Dear Parents,

Please be informed that the second session of the MVRCS Student Action Service Club **will be ending on February 5th**. As this session comes to an end we are planning our third and final session. The students in grades K-8 had a lot of fun working with their leaders. The student leaders are excited to start the third and final session, which will include craft activities, basketball skills, wiffle ball skills and a variety of enjoyable games for the students to play that promote sportsmanship and teambuilding as done in both the first and second session.

As with the previous sessions, the program will be divided into groups by grade and gender. Each group will have a specific day & time (see below). The sign up form & waiver is attached. Stay tuned for information on the "Learn to Swim Program" coming out in February/March. Visit the school's website: www.mvracs.org for more information.

This program has been designed to be inexpensive & fun for all! The cost is **\$25.00**. As noted below, all students have the option of participating for one or two hours of fun and learning. Students in grades K-3 have the option for 3 hours! Space is limited so sign up now!

The third & final session will take place from February 15th through April 9th. As in the past, the number of students we can accommodate is limited. Therefore the sign-up procedure is done on a first come, first serve basis. The enrollment deadline is Friday, January 29th or until all available spots are filled whichever comes first. Traditionally, we reach capacity within the first 48 hours. Your child will receive a letter of acceptance through their homeroom no later than Friday February 12th. If your child does not receive a letter or their money back, please contact me as soon as possible @ nrubin@mvracs.org or at 781 388-0222 extension 3608.

Mark your calendars, you will **not** receive a reminder.....We will not meet on half days & we will not have SAC if the parent teacher conferences take place during the session. If we are not going to meet due to inclement weather, it will be posted on the school website. If you have any questions email me or call and leave a message at 781-388-0222 ext 3608.

Thank you,

Mrs. N. Rubin
